# Notes to the Financial Statements

For the Year Ended 30 June 2025

The financial report covers Lifeline Harbour to Hawkesbury Sydney Ltd as an individual entity. Lifeline Harbour to Hawkesbury Sydney Ltd is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The principal activity of the Company for the year ended 30 June 2025 was to provide a suite of crisis support and suicide prevention services.

The functional and presentation currency of Lifeline Harbour to Hawkesbury Sydney Ltd is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

### 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures, Australian Charities and Not-for-Profits Commission Act 2012 and the *Corporations Act 2001*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

### 2 Summary of Significant Accounting Policies

### (a) Revenue and other income

### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

ABN: 56 766 506 533

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (a) Revenue and other income

### Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

#### **Grant Income**

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligation is satisfied.

Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract. Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

A contract liability is recognised for unspent grant funds for which a refund obligation exists in relation to the funding period. General grants that do not impose specific performance obligations on the company are recognised as income when the company obtains control of those funds, which is usually on receipt.

### **Provision of Contracted Services**

The Company earns revenue from provision of contracted services, incorporating: Paid Crisis Support Services; Counselling Services; Counsellor Training Services; Corporate Training Income; Community Aid Services and other Project Services.

Revenue is recognised either immediately or over time in the accounting period when services are rendered.

### Revenue from fundraising

### **Donations**

Donations collected and funding for special projects via sponsorship is recognised as revenue to the extent that the monies have been applied in accordance with the conditions of funding.

Donated goods/furniture/books for resale, are not recognised as revenue when the Company gains control of the asset as it is not possible to estimate the value of these second-hand goods.

### Legacies

Legacies are recognised when the Company is notified of an impending distribution or the legacy is received, whichever occurs earlier.

Revenue from legacies comprising bequests of shares or other property are recognised at fair value, being the market value of the shares or property at the date the company becomes legally entitled to the shares or property.

### Fundraising Activities

Fundraising activity revenue is recognised as revenue at the time of the event.

ABN: 56 766 506 533

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (a) Revenue and other income

### Specific revenue streams

### Sponsorships

Funding for special purpose projects via sponsorship is recognised as revenue to the extent that the monies have been applied in accordance with the conditions of the funding.

#### Sale of Goods

Revenue from sale of donated clothing, furniture and books is recognised when control of the goods has transferred to the customer. At this point the customer accepts the goods and the consideration becomes due and payable.

#### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

### (b) Income tax

The Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

### (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

### (d) Volunteer services

No amounts are included in the financial statements for services donated by volunteers.

### (e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

### Plant and equipment

Plant and equipment are measured using the cost model.

ABN: 56 766 506 533

# **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (e) Property, plant and equipment

### Depreciation

Property, plant and equipment is depreciated on a straight-line basis over the asset's useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class Depreciation	
Furniture, Fixtures and Fittings	33.3%
Motor Vehicles	12.5%
Office Equipment	33.3%
Leasehold improvements	33.3%
Right-of-Use Assets	over term of lease

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

### (f) Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

ABN: 56 766 506 533

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (f) Financial instruments

### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

### Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

### Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

### financial assets measured at amortised cost

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

ABN: 56 766 506 533

# Notes to the Financial Statements For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (f) Financial instruments

### Financial assets

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

#### Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

### Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables and lease liabilities.

### (g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

ABN: 56 766 506 533

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 2 Summary of Significant Accounting Policies

### (h) Leases

At inception of a contract, the Company assesses whether a lease exists.

### Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

### Right-of-use asset

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

### Lease liability

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### Exceptions to lease accounting

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

### (i) Employee benefits

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

ABN: 56 766 506 533

### Notes to the Financial Statements For the Year Ended 30 June 2025

### 3 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

### Key estimates - revenue recognition - long term contracts

The Company undertakes long term contracts which span a number of reporting periods. Recognition of revenue in relation to these contracts involves estimation of future costs of completing the contract and the expected outcome of the contract. The assumptions are based on the information available to management at the reporting date, however future changes or additional information may mean the expected revenue recognition pattern has to be amended.

### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

ABN: 56 766 506 533

### 10 Leases

### Company as a lessee

The Company has leases over a range of buildings and retail outlets.

Terms and conditions of leases

The Company leases office premises, retail outlets and warehouse and book depots. The leases are generally between two and five years and some of the leases include a renewal option to allow the Company to renew for up to twice the non-cancellable lease term.

ABN: 56 766 506 533

### Notes to the Financial Statements For the Year Ended 30 June 2025

### 10 Leases

### Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

The maturity analysis of lease liabilities based on contracto	(4) year 1 - 5 years	1 - 5 years	Lease liabilities included in this Statement Of Financial Position	
2025 Lease liabilities	919,412	1,685,296	2,604,708	
2024 Lease liabilities	611,287	967,917	1,579,204	

### Statement of Profit or Loss and Other Comprehensive Income

The amounts recognised in the statement of profit or loss and other comprehensive income relating to interest expense on lease liabilities and short-term leases or leases of low value assets are shown below:

		2025	2024
		\$	\$
	Interest expense on lease liabilities	142,185	83,960
	Rent paid - relating to leases not recognised as ROU assets	230,458	268,495
11	Trade and Other Payables		
	CURRENT		
	Trade payables	99,690	121,590
	Net GST payable	17,439	10,854
	Accrued expenses	112,105	97,668
	Other payables	389,326	340,323
		618,560	570,435

Trade and other payables are unsecured, non-interest bearing and are normally settled within 30 days. The carrying value of trade and other payables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

In the opinion of the Directors, the Company did not have any contingencies at 30 June 2025 (30 June 2024: None).

ABN: 56 766 506 533

# Notes to the Financial Statements For the Year Ended 30 June 2025

### 19 Related Parties

### The Company's main related parties are as follows:

Key management personnel - refer to Note 16.

Lifeline Harbour to Hawkesbury Sydney Ltd is affiliated with Lifeline Australia. Some government grants are administered by Lifeline Australia and divided amongst the various Lifeline entities throughout Australia. Occasionally transactions occur with other Lifeline entities due to sharing of costs and use of facilities.

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

### 20 Statutory Information

The registered office and principal place of business of the company is: Lifeline Harbour to Hawkesbury Sydney Ltd 4 Park Avenue GORDON NSW 2072

### 21 Events After the End of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

ABN: 56 766 506 533

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2025

### 22 NSW Charitable Fundraising Act 1991

As a registered charity under the NSW Charitable Fundraising Act 1991 (the Act), the Company is required to disclose income and expenses from fundraising appeals. Donations and fundraising in this note follow the definition in the Act. As such, there may be some differences in the classification of items compared to the Statement of Profit and Loss and Other Comprehensive Income.

Further, the Statement of Profit and Loss and Other Comprehensive Income records transactions on an accruals basis, whereas the Act requires fundraising income and expenses to be disclosed on a cash basis. Therefore, donations and fundraising income and expenses in this note have been adjusted to reflect cash received/used during the year.

Details of aggregated gross income and total expenses from fundraising appeals:

### (a) Details of aggregated income and total expenses from fundraising appeals

### **Fundraising Income**

	2025	2024
	\$	\$
Fundraising income and events	502,936	399,926
Donations	667,406	502,013
	1,170,342	901,939
Expenses of fundraising		
Employee benefits related to fundraising	185,408	159,470
Event delivery costs	293,628	208,284
Fundraising costs	7,933	8,664
	486,969	376,418
Net surplus from fundraising	683,373	525,521

### (b) Nature of fundraising appeals and application of net surplus

Fundraising appeals primarily consisted of donations and bequests from the community, and fundraising events. The net surplus generated from fundraising activities was applied to the charitable purposes of the Company.

ABN: 56 766 506 533

### **Directors' Declaration**

The directors of the Company declare that:

- The financial statements and notes, as set out on pages 8 to 28, are in accordance with the Corporations Act 2001 and:
  - a. comply with Australian Accounting Standards Simplified Disclosure Standard; and
  - give a true and fair view of the financial position as at 30 June 2025 and of the performance for the year ended on that date of the Company.
- In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

# Independent Audit Report to the members of Lifeline Harbour to Hawkesbury Sydney Ltd

Report on the Audit of the Financial Report

### **Opinion**

We have audited the financial report of Lifeline Harbour to Hawkesbury Sydney Ltd (the Company), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act* 2001, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2025 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures and the Corporations Regulations 2001; and
- (iii) complying with the Australian Charities and Not-for-Profits Commission Act 2012 and the Australian and Not-for-Profits Commission Regulation 2013.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

# Independent Audit Report to the members of Lifeline Harbour to Hawkesbury Sydney Ltd

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
